Alexandria Bay, New York 13607

NEWS RELEASE

Alexandria Bay, New York – Friday, March 22, 2024

The Board of Directors of the Thousand Islands Bridge Authority (Authority) initiated the process via Resolution No. 3 to eliminate the 16-trip commutation trip tag (trip tag). There will be **NO** changes to the current 72 trip tag. This change is anticipated to be effective June 1, 2024.

Background:

The Thousand Islands Bridge Authority has offered a commuter discount program for frequent users of the bridge crossing for many decades in various forms. Trip tags have been available for purchase at any available toll booth in either 16 or 72 trip increments which are good for 2 years from the date of purchase or until all trips are used, whichever comes first. In June 2019, the Authority transitioned its commuter discount program to an all-electronic tolling solution.

What is not changing:

The current 72-trip tag will remain unchanged. Customers wishing to purchase a 16-trip tag are encouraged to do so before June 1, 2024. No 16-trip tags will be sold after that date and any tags sold prior to that date will continue to be valid for 2 years from date of purchase or until all trips are used.
