

## NEWS RELEASE

*Alexandria Bay, New York – Saturday, May 25, 2024*

The Thousand Islands Bridge Authority and Federal Bridge Corporation Limited announce a Bridge Rehabilitation Project on the Canadian Span of the Thousand Islands Bridge System.

A Bridge Rehabilitation Project (“Project”) on the Canadian Span of the Thousand Islands Bridge System will be taking place beginning on April 22, 2024, until October 18, 2024. This Project will require traffic control operations that will include lane restrictions with alternating one-way traffic and full traffic holds at times. It is recommended that you plan accordingly during these dates for additional travel time.

Please note that the Canadian bridge and sidewalk will be closed for the season to cyclists and pedestrians. Cyclists should consider alternate routes during this time.
