

The Thousand Islands Bridge Authority (the “Authority”) is seeking a skilled and reliable Electrician to join our team. This role is responsible for performing installation, maintenance, troubleshooting, and repair of electrical systems across Authority facilities, bridge structures, and related equipment. Candidate should be comfortable working at heights, in confined spaces, and in all seasons.

### **Job Responsibilities:**

- Perform installation, inspection, maintenance, and repair of electrical systems and equipment across Authority properties including bridges, tolling facilities, administrative buildings, and maintenance shops.
- Troubleshoot electrical issues efficiently and safely, providing timely solutions to restore systems and minimize downtime.
- Install and maintain lighting systems, control panels, conduit, wiring, motors, and related components.
- Assist in maintaining power distribution systems and electrical infrastructure unique to bridge and transportation operations.
- Work collaboratively with maintenance staff, operations personnel, and external contractors as needed.
- Assist in maintaining ethernet and fiber optic cabling for network and communication systems.
- Respond to after-hours emergencies when necessary.
- Operate bucket truck, lifts, ladders, and other equipment to perform work at various heights.
- Perform other related duties as assigned.

### **Qualifications:**

- High school diploma or equivalent required.
- Completion of a recognized electrical apprenticeship or equivalent experience.
- Must be able to travel to Canada as required for work assignments (valid passport or enhanced license required).
- Maintain valid driver’s license for the operation of the Authority’s vehicles and equipment, Class B CDL preferred.

The Authority offers a comprehensive benefits package which includes:

- Excellent Medical, Dental & Vision Insurance
- Vacation, Sick and Personal Days plus Ten (10) Paid Holidays
- Retirement Plans Including Defined Benefit Pension Plan and Employee 457 Deferred Compensation Plan
- Employer Paid Life Insurance and Disability Insurance

Applications are available at the Thousand Islands Bridge Authority Administrative Offices at 43530 Interstate 81, Collins Landing, Alexandria Bay, NY, or at [www.tibridge.com](http://www.tibridge.com). Interested candidates should submit a letter of interest, resume and completed application no later than March 20, 2026, electronically to [RESUME@TIBRIDGE.COM](mailto:RESUME@TIBRIDGE.COM) and include “Electrician” in the subject line or by mail to the address below to be considered.
